

# NO FAIL STAIN REMOVERS

*for summer spills*

## TYPE OF STAIN

## STAIN REMOVAL

### BBQ SAUCE

*Dish detergent and vinegar to cut the colour and grease*

### FRUITS & VEGETABLES

*Place clothing over a bowl of boiling water to steam out berry, beet and other hard-to-remove fruit and veggie stains*

### GRASS

*Treat the stain with hot water, then scrub with a mixture of 1 part dish soap to 2 parts hydrogen peroxide*

### SWEAT

*A mixture of dishwashing liquid & hydrogen peroxide with a little baking soda and a lot of elbow grease will get the stains out*

### COFFEE

*Use a paste of baking soda and hydrogen peroxide to remove these stains*

### DIRT & MUD

*A dish soap with grease-fighting elements will do the job*

### MUSTARD, MAYO & KETCHUP

*Try soap and water for clothing & talc plus a soapy sponge and lemon juice for rugs & furniture.*
